CALLING ALL CHEMISTS

Calling all chemists! Have you made the Chemistry Wall of Fame? Chemistry teachers have selected their Diamond and Platinum students for S1, S2, S3, National, Higher, and Advanced Higher classes last term. To see if your hard work or outstanding achievements secured you a place on the wall of fame, check out the display in the Chemistry corridor outside Chem 05. If you're name isn't there, there's always this term...
