All pupils will continue with English and Mathematics. (That is why they are not shown on this choice form.)

All pupils will also have 2 periods of PE, 1 period of Personal and Social Education and 1 period of Religious, Moral and Philosophical Education per week.

Choose **one** course from **each** column. You may not choose the same course in more than one column. Show your choice by **circling** the course you wish to study.

You may choose to study one of the College Courses on offer on Monday and Wednesday afternoons as an alternative to a course in column A. Note that entry to these College Courses is at the discretion of Fife College and you may not be offered a place, so you **must** choose a course running in school in Column A as a backup.

Please tick this box if you wish to go to Fife College instead of taking the course you selected in Column A.

Pupils who choose College from column A will either miss their Personal and Social Education and Religious, Moral and Philosophical Education classes or their 2 periods of PE so that they can travel to the college after lunch on Monday and Wednesday afternoons.
