Periods Per Week

Courses in columns A to G are 4 periods per week.
Options in column H are 2 periods per week.
Courses in columns I to M are 6 periods per week.

Leaving School

Please tick this box if you plan to leave after your exams in May.

Study Periods

Pupils choosing an Advanced Higher course may have 2 periods per week per course to study that subject in the associated department.
Pupils choosing Advanced Higher Art & Design may have up to 6 periods per week to work on their portfolio.
If you have study periods, leave one (or two) columns blank and fill the remaining periods with voluntary activities.

Saltire Awards

Pupils in S6 may choose to volunteer either inside school (or outside school by prior arrangement). Pupils may either choose the Saltire Awards option in column H or use **one** other column instead of choosing a course.
Pupils should use the reverse of this form to describe all voluntary activities outside school that they have organised or will organise by the end of May.
