Dear Parent/Carer

Safe Drive Stay Alive Roadshow – Wednesday 7 November 2018

Safe Drive Stay Alive is a road safety show organised by the Fife Community Safety Partnership and supported by Fife Council and partner agencies. It is aimed at young drivers and those preparing to learn to drive; over 4,500 young people from across Fife will attend this year. The event is held at the Rothes Halls, Glenrothes. All current S5 pupils and any S6 pupils who did not go last year are expected to attend this free event.

The show is based around a video reconstruction of a road traffic collision interspersed with on-stage, real-life testimonies by serving members of the emergency services as well as road crash victims and their relatives.

Free coach transport to and from the Rothes Halls has been arranged. All pupils are expected to travel by the bus provided and should not make their own travel arrangements. Buses will leave school promptly at 12.00pm. The show starts at 12.45pm and buses will depart the Rothes Halls afterwards at 2.15pm, returning to school for the start of period 7. School staff will accompany pupils to, from and during the performance. Please be assured that this is a normal school day and pupils should attend in full school dress. Pupils will be expected to attend their period 7 class as usual.

As pupils will be out of school over lunchtime, they should bring a packed lunch with them. There will be no access to catering facilities at the Rothes Halls. Pupils entitled to free school meals may collect their lunch at interval on Wednesday morning.

This event is an important part of the Health & Wellbeing curriculum in the Senior Phase and pupils are expected to attend. Pupils should only return the slip below to Mrs Davie should they have a valid reason for not attending.

This event is also open to families and the wider school community at 7.15pm on Wednesday 7 November. (Duration: 1hr 15 mins, age 14 yrs+ only). Free tickets for this evening event can be booked on 01592 611101 or online at www.onfife.com.

Many thanks in anticipation of your support in this matter.

Yours sincerely

Pamela Davie
