

Are you in S5 or S6?

YES? Are you thinking about your future career in health?

There are many clinical and non-clinical careers available within NHS Scotland so check out <https://www.careers.nhs.scot/careers/explore-our-careers/> to find out more. If you are interested in a career in Nursing, Midwifery or Allied Health Professions (AHP) then these are the virtual events for you.

Have you considered becoming an Allied Health Professional?

If you want to find out more about each of these professions and how their roles support a variety of people's journeys through the health system please join us. You will be able to meet some of these professionals - find out who they are, where they work and what they do. There will also be an opportunity to find out about studying as an AHP from a University. <https://youtu.be/9MFVYz2KcBO>

Please see overleaf for the date or contact your Developing the Young Workforce (DYW) Coordinator for more details

Have you considered becoming a Nurse or a Midwife?

If you want to find out more about what it involves being a nurse or midwife, available fields of practice and which universities place their students in NHS Fife please join us. You will be able to meet some of these professionals - find out who they are, where they work and the variety and diversity available within a career in nursing or midwifery. There will also be an opportunity to speak directly to students currently at University.
